(Gen. 25:24-27, Gen. 27:46, Gen. 28:10-15, Gen. 31:3, Gen. 32:19-28, 2 Corinthians 5:17)*

2. Labels can be:

3. How would you describe yourself? - 3 words

Like it or not- we are described by labels

4. What negative label do you or did you own?
• How did you acquire it?

The longer we carry a label, the less it _____ our _____ and more it _____ our _____!

5. Describe a time when God was talking to you, while you were in your mess?
What made you want to trust God and change?

When the pain of staying the same, is greater than the pain of change. We will change.

6. Do you find change easy or difficult in your life?

If we are ever going to get past the Label, we are going to have to hold on and fight for God's Blessing in our lives!

7. Is there a label you want God to remove in your life? (Ask others to pray with you concerning it)

8. Affirm another person with a positive label you see in their life. (Tell this person in public or private)
